MARIA CARVALHO

FULL-STACK WEB-DEVELOPER

PROFILE

Currently based in Braga Portugal. I'm passionate about developing efficient and creative web-applications. I love to learn new things and new dynamic ways to solve problems. I'm a very practical person but I enjoy the beauty in life that's why I deposit value on the aesthetic side of things too. Also a music-geek.

EXPERIENCES

Freelance Front-end work
U.T. QUÍMICOS,LDA | June 2023 - July 2023

Worked both on site and remotely on the design and development of the official website for the company. Also designed the new Company's logo.

Internal Administration
U.T. QUÍMICOS,LDA | 2019-2023

I did all types of internal work in an administration context. Also responsible for analyzing data aiming for the best company results. Performed also many design works regarding documentation presented to our customers. Main tools were company's sales software and Office's Excel.
